RE: Linda Kay Stermer

I have known Linda for long time now and have found her to be a great mother and friend.

She is a hard worker and honest. I believe in her and have gone to see her many times in the last few years. I also posted her bond for her case in Vanburen County and she paid it all back to me.

Linda is not a flight risk, as she has a lot of family her in Kalamzoo MI and would want to be close to them. Linda is a god fearing woman and is very strong in her faith.

I do support her and her fight for freedom.

Sincerely

Chris Fayling
